# NATURE'S CONFECTIONERY

## REAL FRUIT MUNCHIES THAT PACK A CRUNCHY PUNCH!

Schoonbee Landgoed has been the home of fresh fruit for over half a decade – exporting our deliciously natural fresh produce across the globe. Now, Schoonbee Landgoed also brings you the next best thing to fresh - a range of minimally processed fruit snacks that allow you to savour the seasonal sweet treats from nature a little while longer. Using innovative dehydration techniques, our range of fruit snacks mitigate food waste from the fresh produce export industry. These snacks deliver on taste and texture while keeping as close as possible to the fresh creation. Forget the boring, unhealthy, processed snacks that you know – think real fruit munchies that deliver a punch of natural flavour with no sugar or preservatives added. Artisanal treats, hand crafted from Nature's candy collection.

# CRISPY, CRUNCHY, NAARTJIE CHIPS!

*Who needs that potato life, anyway?*

Deliciously natural citrus makes the perfect on-the-go dehydrated snack. Our crunchy mandarin crisps are made from only the best, export quality fruit. Harvested at its peak from lush orchards in the sunny Loskop Valley, South Africa, our mandarins are thinly sliced to ensure the perfect crispy bite. These citrus wheels are definitely not your mama's chips.

Do you like your Mandarin Crisps without the rind? No problem! Our NO RIND Naartjie Chips cater for a wide variety of snacking preferences.

# FREEZING COOL FRUIT CRUNCHIES

**A fruity family of super crunchy real fruit snacks**

At Schoonbee Landgoed, we love everything "fruit" and we cherish the colours and flavours from nature. With innovative freeze-drying technology, it is possible for us to bring you bright and crunchy versions of your favourite fruits in treat-sized packs, bursting with flavoursome mouthfuls. Seasonal fresh fruits from South Africa are frozen at their peak and freeze dried in small batches as the market demands. We manage a tight shelf-life to ensure you only get the best, crunchiest product.
